## *Hawaii 5-0 Birthday*

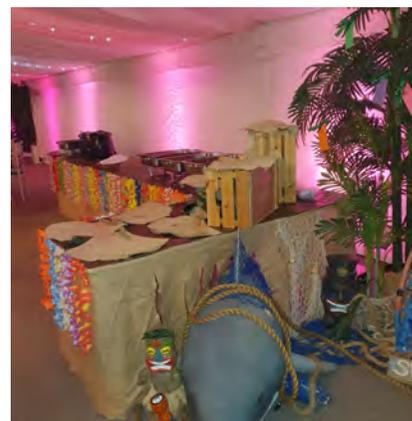

The last of the January snow was still piled high in places, but the atmosphere (and temperature) inside Lisa's 5-0 was tropical! Guests were greeted with one of "Lisa's Lau Lau Lagoon" cocktails and enjoyed themed canapés courtesy of Ffres Catering. There were audible gasps of surprise and amazement at the spectacular styling provided by Sam and the team at Drape Your Space.

The fancy dress on display only served to enhance the atmosphere of fun and colour. Following the initial drink reception, guests were treated to a Hawaiian inspired feast served from a station in the marquee. As the mood heated up further, guests enjoyed limbo and the fantastic vocal stylings of Danny Cole.

Amongst the most memorable fancy dress on display – Elvis, Dwayne Johnson look-a-like, surfers and Lisa herself was truly stunning in a creation made of palm leaves! Simply stunning event with the perfect supplier selection!
